Kathryn Stockett creates three extraordinary women whose determination to start a movement of their own forever changes a town, and the way women--mothers, daughters, caregivers, friends--view one another. A deeply moving novel filled with poignancy, humor, and hope, *The Help* is a timeless and universal story about the lines we abide by, and the ones we don't.

This book can be found on Amazon or at a local book store.

Please join us to discuss on:
